

#### **Governance Structure**

## Membership & Engagement Council

Identifies trends and needs in the SLAS
Community and among potential
customers. Directs respective
committees to respond.

#### Advocacy Committee

Will pay attention to policy issues on a global scale that could impact the SLAS community. Keep community and SLAS leadership informed and advise when action should be taken.

#### Membership Committee

Ensures SLAS products and services meet the needs of membership first, then community, across all priority demographics. Monitors engagement activity across all demographics and creates plans for constant improvement. Ensures appropriate volunteer opps and their promotion.

## Awards & Grants Committee

Manages all SLAS Awards and Grants. Assesses need for new programs, adjusting or sun setting current programs.
